

HIDDEN PICTURE

Planting in the Garden

Emily and Zak are planting seeds in the garden. There are pictures hidden in the scene. Find and colour the ones you can spot!

Q: What part of a plant grows underground in the soil?

A: Roots!

Have you seen or used any of the items in the picture?
If you could plant anything you wanted, what would it be?
If you make a drawing, poem or song of your planting story, we would love to see or hear it!
